EXPERTISE

- Bachelor's degree - English Literature + Film studies
- I am a talented content and copywriter with a specialization in SEO, articles, blogs, and feature writing.
- My work spans long-form features, reviews, SEO-driven editorial, interviews, cultural commentary, and high-volume news writing
- I have an extensive list of published articles online for numerous reputable outlets. I have pitched, researched, edited, and self-published for all the outlets I have worked for, ensuring my work is not only relevant but also to the standard expected from my various clients.
